Using the listings below of opportunities to serve God and our Church, please indicate your preferences by circling the applicable item(s). Please use one sheet for each individual. Note that items A-N are Adult Service Opportunities; item O is for Youth, and item P is for children. When filling out the survey, please do NOT include those areas in which you are already serving, just new areas in which you are interested. The objective is to identify new volunteers and new opportunities for existing volunteers. Completed surveys can be placed in a box at the Information Center in the narthex, or outside the Church office, or in the Stewardship box (#68) in the hallway. The individual responsible for each respective area on the survey will contact you regarding your service preferences. If, for some reason, you have not been contacted after a reasonable period of time, please take it upon yourself to contact the responsible person. Names of these individuals can be obtained from the Church office.
